

**STATE OF HAWAII  
STATE PROCUREMENT OFFICE**

**SPO Price List No. 01-40**  
Includes Change Nos. 1 through 10  
Revised 7/28/03

**GASOLINE FUELING & CREDIT CARD SERVICES ON OAHU, HAWAII, MAUI & KAUAI**  
(IFB-01-109-OHMK)  
**August 1, 2001 to June 30, 2004**

**STATE'S COMMITMENT.** Agencies of the following purchasing jurisdictions are required to purchase from this price list:

- Executive Branch
- Office of Hawaiian Affairs
- Department of Education
- University of Hawaii
- Honolulu Board of Water Supply

**EXCEPTION TO THE PRICE LIST.** When the use of the price list is not suited to an agency's purpose, the appropriate purchasing jurisdiction may grant an exception to purchase outside of the price list. For this purpose, Executive Branch agencies shall use SPO Form 5, "Request for Authorization to Purchase Outside of the Price List" available at the SPO Website: [www.spo.hawaii.gov](http://www.spo.hawaii.gov); click on "Forms."

**POINT OF CONTACT.** Questions regarding Gasoline Credit Card purchases, services listed, pricing, and status should be directed to the vendor.

Procurement questions or complaints may be directed as follows:

Jurisdiction	Name	Telephone	FAX	E-mail
Executive	Alvin Washiashi	586-0571	586-0570	<a href="mailto:alvin.washiashi@hawaii.gov">alvin.washiashi@hawaii.gov</a>

Office of Hawaiian Affairs	Ernest Kimoto	594-1954	594-1865	<a href="mailto:ErnieK@OHA.org">ErnieK@OHA.org</a>

**USE OF PRICE LIST BY NONPROFIT ORGANIZATIONS.** Pursuant to Section 103D-804, Hawaii Revised Statutes (HRS), nonprofit organizations with current purchase of service contract(s) (Chapter 42D or 103F, HRS) have been invited to participate in the State Procurement Office's (SPO) price lists.

If a nonprofit organization (hereinafter called "nonprofit") wishes to purchase from a SPO price list, the nonprofit must obtain approval from each price list vendor, i.e., participation must be mutually agreed upon. A price list vendor may choose to deny participation by a nonprofit. Provided, however, if a nonprofit and price list vendor mutually agree to this arrangement, it is understood that the nonprofit will retain its right to purchase from other than a price list vendor.

**VENDORS:**                    **Islands of Oahu, Hawaii and Maui:**

	<u><b>Correspondence Address</b></u>	<u><b>Remittance Address</b></u>
<b>Tesoro Hawaii Corporation</b>	P.O. Box 3379 Honolulu, HI 96842	P.O. Box 659723 San Antonio, TX 78265-9723

**Customer Service Contacts:**

Ms. Lani Aragon Phone: (808) 547-3129 FAX: (808) 547-3336	<b>Ms. Kristi Frost</b> <b>(800) 473-1123 Ext. 8858</b>	<b>Customer Service Center</b> <b>(877) 837-6762</b>
---	--	---

**Island of Kauai:**

<b>Kauai Automated Fuel Service, Inc.</b>	3011 Aukele Street Lihue, HI 96766	P.O. Box 86 Lihue, Hawaii 96766
Phone: (808) 245-3366 FAX: (808) 246-1054		

**VENDOR CODES** for annotation on purchase orders are obtainable from the "Alphabetical Vendor Edit Table Report" available at your department's fiscal office. **Agencies are cautioned that the remittance address on an invoice may be different from the address of the vendor code annotated on the purchase order.** Therefore, when processing an invoice for payment, be sure that the correct vendor code is used.

**GAS CREDIT CARDS.** *Agencies shall request gas credit cards from the Contractor as soon as possible to ensure that purchases are in compliance with this price list.*

Gas credit cards shall be restricted to use by authorized State employees for gasoline and/or diesel fuel for State vehicles or equipment only. Agencies will be issued one credit card per vehicle; however, an agency may request additional credit cards if more than one driver is assigned to a vehicle.

**Oahu, Hawaii, and Maui agencies:** refer to *Attachment 1* for instructions on obtaining a gas card from Tesoro Hawaii Corporation. **Kauai agencies:** refer to *Attachment 2* for instructions on obtaining a gas card from Kauai Automated Fuel Service, Inc.

Agencies may expect to receive their Gas credit cards within twenty-one (21) days of submitting the application to the Contractor. At a minimum, the following will be screened and/or embossed on the front or back of each Gas credit card:

- "State of Hawaii" with facsimile of state seal
- Department or agency name
- Name of contractor and logo
- Vehicle license plate number
- Contractor's mailing address
- and/or Vehicle ID

**PRICE.** The Base **Unit** Bid Price Per Gallon (BBP) is the all-inclusive cost to the State, except for the current amounts of the Hawaii General Excise tax (GET), the State of Hawaii and county fuel taxes, and the State's environmental response tax that will be added to the BBP. The GET shall not exceed the current rate of 4%, and shall be computed only on the BBP.

**DISPENSING.** Fueling stations shall be open a minimum of 12 hours daily between 6:00 AM and 6:00 PM every day of the year with self service or attendant-assisted fuel dispensing.

**DIESEL FUEL AND MID-GRADE GASOLINE PURCHASES.** This price list is for regular and premium unleaded gasoline. However, if the Contractor has the capability to dispense diesel fuel or mid-grade gasoline at any of the stations listed herein, the State/county agency may at its option, purchase the diesel fuel or mid-grade gasoline from the Contractor and charge the purchase on the Contractor-issued Gas credit card.

The cost of the diesel fuel and mid-grade gasoline shall be the current pump price. However, the Contractor has agreed not to charge the Federal Excise Tax on any diesel fuel or gasoline purchased using the Contractor-issued Gas credit card.

**ACCOUNTING.** A printed hard copy receipt and voucher signed by the driver for each transaction will be provided to the State/county employee upon completion of fueling. At a minimum, the receipt shall include the following information:

- Department/agency name and/or account number
- State vehicle license or unique account and/or card number to identify specific vehicle and driver
- Date of fueling (time optional)
- Quantity and grade of fuel dispensed
- Signature and/or identification number of individual making the purchase
- Transaction or receipt number
- Location of fueling station

**REPORTS.** At a minimum, monthly and annual summary reports shall be provided to each department or agency account, and shall include the following.

- Department/Agency name and account number
- State vehicle license or identification number
- Date of fueling (time optional)
- Quantity and grade of fuel dispensed
- Price and extended total cost of fuel (optional)
- Name or identification number of individual making the purchase if Driver Card option is selected (See page 11, Driver Card)
- Transaction reference/receipt number
- Location of fueling station

Annual summary reports shall include the above items by month for the twelve (12) month fiscal year period from August 1 to July 30 of the preceding year.

**PRICE LIST AVAILABLE ON THE INTERNET AND HAWAII FYI.** The price list is available at the SPO website:

<http://www2.hawaii.gov/priceapps/showprice.cfm?&ShowAll=Yes>

Agencies without Internet access, but with computer and modem may retrieve a copy of this price list via the State's Hawaii FYI electronic gateway by dialing the following modem number:

Hawaii	974-6683	Kauai	274-3641
Lanai	1-800-243-7133	Maui	984-2050
Molokai	1-800-243-7133	Oahu	587-4917

At the main menu select *Hawaii Internet Services Menu*, then click on *State Price Lists* for the current listing. If assistance is required to access Hawaii FYI, call the ICSD Assistance Center at 586-1919 from Oahu and 1-800-252-1132 from the neighbor islands.

## TESORO HAWAII CORPORATION

### GAS CREDIT CARD GUIDELINES OAHU, HAWAII AND MAUI

#### I. GENERAL

- A. Agencies may continue to use the Tesoro gas credit cards issued under the previous SPO Price List number 97-56.
- B. To open a new gas credit card account, request for additional cards, closing of old card accounts or changing the current services available on the existing gas credit card, agency shall complete and submit to Tesoro the attached form (Exhibit A). Agency with existing card(s) need not reapply if none of the reasons are applicable.

Tesoro's gas credit card system requires a four-digit numerical personal identification number (PIN No.) to be inputted into the system along with the swiping of the gas credit card to activate the fueling process. Agencies may establish their four digit personal identification number (PIN No.). Agencies desiring to change their current PIN number must complete the EXHIBIT A form.

- C. In addition to purchasing fuel, on August 2, 2002, Tesoro Hawaii issued to all its customers, the Hawaii Fleet Bulletin. After reviewing this bulletin, the following choices are available to State agencies (issued in Price change 6). Only agencies requesting to change or add any of the optional services listed below shall complete EXHIBIT A form to initiate acceptance of service on the gas credit card.

- 1. Complete information requested in Section A: Billing Information
- 2. Fuel Only or Fuel & Service (car wash/maintenance/motor oil) which would enable cardholders to purchase:
  - a. Material items such as motor oil, automatic transmission fluid and antifreeze. Services such as engine tune-up, oil change and battery replacement is not available.
  - b. Car washes:

- 1. Available only at the following Tesoro stations:

Oahu: ♦ Pearl City  
♦ Waipahu  
♦ Mililani

Maui: ♦ Kahului

- 2. Car wash options:

- ♦ Deluxe Express Wash (\$12.99 less a \$4.00 discount with purchase of \$10.00 of gasoline)
    - ♦ Express Plus Wash (\$ 9.99 less a \$3.00 discount with purchase of \$10.00 of gasoline)

- ◆ Express Wash (\$6.99 less \$2.00 discount with the purchase of \$10.00 of gasoline.
- 3. Car wash coupons (minimum purchase of thirty (30) coupons) are available for the price of \$120.00 (\$4.00 per coupon). Each coupon is redeemable for one (1) Express Wash only. Agencies may call Lani Aragon of Tesoro Hawaii at (808) 547-3129 for further information.
- 4. No tipping is allowed.
- c. Fuel Only or Fuel & Service (car wash/maintenance/motor oil) are the only options that have been authorized by the State Procurement Office. No other options should be requested State agencies.
- 3. **Vehicle Odometer Reading:** If this option is selected, cardholder will be required to input odometer readings at the time of fuel purchase. Agency will receive a Vehicle Management Report on miles driven per gallon and the cents per mile, valuable in detecting cardholder abuse. Agency should instruct their drivers to input the correct odometer reading.
- 4. **Daily Transaction Limits Per day:** Agency must determine whether they want to limit the number of transaction based on a per card basis. If there is more than one card on the agency's account and the transaction limit is one per day, only one transaction per card will be accepted. As an example, if there are five cards in the account and the transaction limit is one per day, each of the five cards shall be limited to one transaction so the total number of transaction in the account shall be five for that day. If there is more than one driver listed on the same card and the transaction limit is one per day, the number of transactions allowed shall be limited to only one since they are listed on the same card. The transaction limit shall be based on the card number.
- 5. **Time Limits:** To be determined by the agency.
- 6. **Daily Merchandise Dollar Limits:** This option is not available to State agencies.
- 7. **Daily Service Dollar Limits:** To be determined by the agency.
- 8. **In-Station Card:** This option will restrict cardholder to one station only and require the establishment of a Driver ID No. (6-digit no.) and ID No. (4-digit no.-**PIN No.**) in place of a card. Charges would be identified based on the Driver ID No.  
The card(s) will be kept at the specified station. The driver(s) will be required to initiate the transaction by going into the station, informing the Customer Service Associate (CSA) of the estimated dollar amount and type of fuel to purchase. The driver will then input the Driver ID No. (6-digit no.), ID No. (4-digit no.-**PIN No.**) prior to fueling, and report to the counter for signature and gas voucher after fueling. The driver must obtain a signed gas voucher and receipt for submittal to the Fiscal Office to ensure prompt payment.

If this option is selected on the Form, agency shall list the station selected and provide the Driver Name, Driver ID No. (6-digit no.), and ID No. (4-digit no.-**PIN No.**).

9. **Location Restriction:** This option would limit cardholders to use only the station(s) listed on the Form. If this option is selected, agencies shall list on the Form, the stations selected.
10. **Driver Card:** This option provides the State with ability to track fuel purchases made by one or more drivers. Agencies will receive a Vehicle Management Report and a Driver Management Report identifying gas purchases by driver name.

To receive this information, the agency must complete the Fleet Card option listing the Driver ID. No. (6-digit no.), Driver Name, and ID No. (4-digit no.-**PIN No.**). The 6-digit Driver ID No. can be the birth date or employee number using zeros as fillers, while the 4-digit ID No. is the card **PIN Number**. The Driver ID No., however, must be a unique number.

Driver(s) will be required to initiate the transaction by going into the station , informing the CSA the estimated dollar amount for fuel purchase and inputting the above information prior to fueling. After fueling is complete, the driver shall report to the counter for signature and gas voucher. The driver must obtain a signed copy of the gas voucher and receipt for submittal to the Fiscal Office to ensure prompt payment.

This will enable agency to identify the driver (sometimes signatures are illegible), and to investigate discrepancies such as failure to endorse signature on the gas voucher (requirement by DAGS Pre-Audit) or unaccountable gas purchases.

11. **Additional/Reprint Cards or Change/Add New Features to a Specific Card:** To be determined by the agency.
12. **Section D- Cards to be Closed:** To be determined by the agency.

D. CONTACT PERSONS

1. **Questions concerning any of the above options should be directed to Lani Aragon of Tesoro Hawaii, telephone (808) 547-3129, facsimile (808) 547-3336, Kristi Frost of Tesoro (Auburn, Seattle), telephone (800) 473-1123 extension 8858 or the Customer Service Center (24 hours), telephone (877) 837-6762.**
2. If you have any questions regarding this price list notice, other than questions on the options, contact Alvin Washiashi of the State Procurement Office, telephone (808) 586-0571, facsimile (808) 586-0570, e-mail [alvin.washiashi@hawaii.gov](mailto:alvin.washiashi@hawaii.gov).

- E. The gas card may only be used to purchase gasoline or diesel fuel for the assigned to the card as well as other services as described in section C, item 2. Fuel Only or Fuel & Service. Agency is responsible to control the authorized use of each card.
- F. Driver shall submit the copy of the signed voucher and receipt to the agency's Fiscal Office or other appropriate party. Agency is responsible to make timely payments for all purchases. **Agencies are requested to include the remittance statement with payment and list the account number on the remittance check.** Accounts 60 days past due shall be deactivated, and reactivated only when the overdue balance, including interest, is paid and made current.
- G. Agency shall maintain a record of gas credit cards issued and shall be responsible to report all lost, stolen, or unauthorized use of a card in writing to Tesoro Hawaii, P. O. Box 3379, Honolulu, Hawaii 96842 or by telephone at (808) 547-3129. There will be a \$5.00 charge for each replacement card.
- H. The terms and conditions for the issuance and use of the gas credit cards shall be in accordance with the provisions of SPO Price List No. 01-40.
- I. By obtaining and using the gas credit card, the agency and individual user agree to comply with, and shall be subject to, Tesoro's safety rules and those established by federal, state and local agencies and governments in the use of Tesoro's facilities when purchasing products with the fleet card(s).

II. PROCEDURES FOR FUELING

A. **ALL TESORO LOCATIONS**

1. Driver physically presents the gas credit card to the Tesoro Customer Service Associate (CSA) prior to fueling. **Driver: DO NOT INSERT THE GAS CREDIT CARD AT THE PUMP.**

2. The driver informs the CSA of the estimated dollar amount for fuel and the CSA swipes the gas credit card. The driver then inputs Driver ID Number ( Four digit PIN No.) and if applicable, the Driver ID number (six digit number) and odometer reading.

If the card is authorized, driver fuels vehicle. Upon completion, driver returns to the CSA who then processes the transaction. The driver signs the gas voucher and is given a copy of the signed gas voucher and a receipt.

If the card fails to allow the transaction to be completed, the driver should request that Tesoro's CSA clear the system and re-enter the pin number. Tesoro Hawaii's system will default if after three (3) pin number input attempts fail. If, after the clearing the system and card transaction is still not accepted, the driver should contact their agency to confirm if the proper pin number is being inputted. **TESORO'S CSA DOES NOT HAVE PIN NUMBER AND DRIVER ID INFORMATION AND CANNOT PROVIDE SUCH INFORMATION FOR SECURITY REASONS.**

The Driver shall notify the agency of the problem. Agencies are requested to contact either Lani Aragon at (808) 547-3129, facsimile (808) 547-3336, Kristi Frost of Tesoro (Auburn, Seattle), telephone (800) 473-1123 extension 8858 or the Customer Service Center (24 hours), telephone (877) 837-6762 to determine the cause of card failure and take appropriate action to correct the problem.

If the gas credit card is not authorized, the CSA will call Tesoro Hawaii's Customer Service Department at (877) 837-6762 to determine the reason for card rejection. CSA shall notify the driver as to the reason for rejection. No purchase transaction will be processed using the gas credit card. Driver shall notify the agency of the problem. Agencies are requested to contact either Lani Aragon at (808) 547-3129, facsimile (808) 547-3336, Kristi Frost of Tesoro (Auburn, Seattle), telephone (800) 473-1123 extension 8858 or the Customer Service Center (24 hours), telephone (877) 837-6762 to determine corrective action needed to activate the gas credit card.

**ATTACHMENT 2**

**KAUAI AUTOMATED FUEL SERVICE, INC.**

OPERATING INSTRUCTIONS AND  
EMERGENCY PROCEDURES

The undersigned acknowledges that he/she has read the following instructions, and is responsible to provide training for others, who may utilize the card, in both operation and safety and to become familiar with the operation of Kauai Automated Fuels Network equipment at all locations that are to be utilized by customer and/or authorized card users.

**THE FOLLOWING ARE ABSOLUTELY FORBIDDEN AT ALL KAFN SITES:**

**NO SMOKING, NO OPEN FLAMES, NO SPARKS, NO RUNNING MOTORS,  
AND NO FUELING INTO GLASS OR OPEN CONTAINERS.**

**NO ONE UNDER THE AGE OF 15, OR ANYONE WHO HAS NOT RECEIVED  
TRAINING IN THE OPERATION OF KAFN EQUIPMENT CAN BE ALLOWED**

**TO OBTAIN FUEL FROM KAFN FACILITIES**

- (a) KAFN fueling equipment can be activated only but the insertion of a valid KAFN card in the console on the fueling island. The card must be inserted as indicated on the console, and the instructions on the screen must be followed. Ensure the card is not cracked, taped, or otherwise unserviceable before inserting it. Screen instructions require a response in a limited amount of time, otherwise you must insert card again and start over. You must press enter after entering the requested information, each time you enter information. For All State of Hawaii cards, you must enter your personal ID number and the mileage before selecting the pump to be used. If card does not activate pump, call KAFN on the direct phone provided. Card may be deactivated if payment is overdue or card has been reported missing.
- (b) Ensure vehicle is next to pump with its **ENGINE OFF**, and that you insert the nozzle and know pump number before entering card and selecting pump. **DO NOT TURN ON PUMP HANDLE UNTIL INSTRUCTED TO DO SO AFTER INSERTING CARD.** After selection, you have a limited amount of time to turn on the pump handle and begin fueling before the system will reset. If the system resets you will be unable to fuel and must insert the card again and start over. **YOU MUST STAY WITH THE NOZZLE WHILE FUELING.** Do not attempt to put anything in the nozzle lever to keep it open. Do not allow anyone else to operate the nozzle – you will be held responsible for accidents. Do not “top off” your tank, allowing fuel to spill on the ground. **YOU ARE RESPONSIBLE FOR ANY SPILLS OCCURRING WHILE FUELING YOUR VEHICLE.**
- (c) When fueling is completed, immediately return handle to the **“OFF”** position and hang up hose on pump. Make sure your gas cap is on. If you wish to obtain a receipt, insert your card at the console and the screen will ask you whether you want a receipt or not. Push **“Y”** and your receipt will be printed.

- (d) If you have a **SPILL**, you must report it immediately by phone. If you do so, there will be no punishment; KAFN just wants to make sure it gets cleaned up quickly, and will respond and/or give you instructions. If you do not report a spill, KAFN can usually determine who was responsible through computer records, and may revoke your card. If you observe another customer spilling and not reporting it, we would appreciate a call, which will be kept confidential.
- (e) FIRE is the most serious safety issue at any fueling facility. Gasoline vapors are very dangerous, and can be set off by an invisible spark. You must take great care not to have any sources of ignition around when fueling. Be particularly aware of other people fueling at the same time, since they may be violating fire safety rules that could effect you. In the event of a fire, locate the nearest EMERGENCY SHUTOFF switch and hit it to cut the fuel flow. Then use the fire extinguisher at the source of the fire first. Do not use water. Do not attempt to fight a serious fire. The emergency valves in the KAFN system will seal off the tanks automatically. Call 911 and KAFN immediately.
- (f) When using high-speed pumps (denoted by a sign on the dispenser and by the larger hoses), make sure your tank can receive at the rate you are pumping. Although these nozzles do have an automatic shutoff device, the speed with which a small tank can fill may allow a substantial spill even after shutoff. You must stay with the nozzle and be able to monitor the fill rate. Make sure the hose is retracted and the nozzle properly replaced after use.
- (g) Motor fuels are hazardous materials, as defined by the Environmental Protection Agency. Prolonged skin contact or breathing is to be avoided. Fuel upwind of your vehicle's tank whenever possible. If you spill fuel on yourself, flush immediately with water or a skin rash may develop. A Material Safety Data Sheet for each fuel product available at KAFN sites is available from the KAFN sites.
- (h) The person signing below is responsible for ensuring any additional card users are fully trained on the proper use of equipment and emergency procedures and have received a copy of these instructions.
- (i) A copy of the attached Card Information and Training Acknowledgement should be kept in your files and a copy sent to KAFN when making card changes or additions.
